

Special Issue on  
**“Allergy & Clinical Immunology”**

### **Aims and Scope**

[SOJ Immunology](#) is a peer reviewed open access journal, exclusively designed for the international Scientific community that addresses ongoing research on Immunology, which aims to provide a unique platform for publishing high quality research work. The journal provides current research information in basic and advanced aspects of the immune system, and host defense mechanisms.

Allergy is a type of hypersensitivity disorder of the immune system. It occurs when the individual's immune system reacts to normally harmless substances present in the environment.

Clinical immunology deals with clinical and laboratory activity mainly focusing on the study, diagnosis and management of diseases in patients with disordered immunological mechanisms and conditions to solve the difficult problems in patients forms a cutting edge research and new immunomodulatory therapies.

The objective of the special issue is to integrate the growing international community of researchers working on the topics like Developments in the field of Allergy, Induced Allergic Manifestations, Clinical Diagnosis and Management of Human Allergic Diseases.

### **Topics**

This special issue deals with the topics of the following but not limited to

- Severe Ocular Allergies
- Induced Allergic Manifestations
- Clinical and Experimental Allergy
- Developments in the Field of Allergy
- Clinical Diagnosis & Management of Human Allergic Diseases
- Immediate-Type Allergy to Drugs
- Allergic Rhinitis in Adolescence
- Allergy to Non-Steroidal Anti-inflammatory Drugs
- Pseudo-Allergic Drug Reactions
- Food Allergies
- Anaphylactic Shock
- Medicine Allergies
- Idiopathic Anaphylaxis

Aeroallergen Sensitization  
IgE-Mediated Allergy  
Factors Augmenting Allergic Reactions  
Treatment of Allergic Diseases  
Rhino conjunctivitis and Rhinosinusitis  
Effect of Obesity on Asthma and Allergy  
Innate and Adaptive Cells on Allergic Process  
Occupational Allergies  
A Novel Biomarker of Allergy

## **Submissions**

Authors are invited to submit articles which address the progress and current standing of Allergy & Clinical Immunology. Please refer [Author guidelines](#) before submission.

Author benefits for these submissions will be found at [Special issue page](#). Use the Online [Manuscript Tracking System](#) to submit your papers or e-mail it to [immunology@symbiosisonline.org](mailto:immunology@symbiosisonline.org)

**Submissions are open from January 26, 2015**

### **Editorial Board Members**

**Steve Fiering**  
Dartmouth Hitchcock Medical Center, USA

**John Bright**  
Indiana University of Health, USA

**Alaa Ahmed**  
Jazan University, Saudi Arabia

**Joseph Chandler**  
Maine Biotechnology Services Inc, USA
