

Special Issue on

## “Food-Borne Pathogens & Gastrointestinal Diseases”

### Aims and Scope

[Journal of Nutritional Health & Food Science](#) is a peer reviewed open access journal, exclusively designed for the international Scientific community that addresses ongoing research on Nutritional Health & Food Science, which aims to provide a unique platform for publishing high quality research work. The journal aims to frame up an outstanding special issue on Food-Borne Pathogens & Gastrointestinal Diseases.

Food borne pathogens are the agents that cause any sickness resulting from the consumption of infected food, pathogenic bacteria, viruses, or parasites that infect food, as well as compound or natural toxins. Symptom differs depending on the cause, and on how much was consumed. Gastrointestinal disease is caused by a variety of disease-causing microbes or germs that can be acquired by indulging contaminated food or liquids get in touch with contaminated water, infected animals or their environments, or unhygienic people. These germs can cause various disorders, such as diarrhea, sickness, abdominal pain and cramps, fever and sometimes headache, skin complaint and paralysis.

The objective of the special issue is to integrate the growing international community of researchers working on the topics like Salmonella, Clostridium perfringens, Campylobacter, Staphylococcus aureus and E. coli.

### Topics

This special issue deals with the topics of the following but not limited to

- Salmonella
- Clostridium perfringens
- Campylobacter
- Staphylococcus aureus
- E. coli
- Listeria monocytogenes
- Norovirus
- Toxoplasma gondii
- Botulism
- Cryptosporidium
- Listeriosis

Giardia  
Shigella  
Vibriosis  
Bovine Spongiform Encephalopathy  
Food Poisoning  
Gastroenteritis or Infectious Diarrhea  
Cholera  
Hepatitis A  
Bleeding in the Digestive Tract  
Celiac disease

### **Submissions**

All kinds of papers are invited. Please refer [Author guidelines](#) before submission. Author benefits for these submissions will be found at [special issue page](#).

Use the online [Manuscript Tracking System](#) to submit your papers or e-mail to [nutrifood@symbiosisonline.org](mailto:nutrifood@symbiosisonline.org)

**Submissions are open from January 26, 2015**
