

# SOJ Pharmacy & Pharmaceutical Sciences

## Special Issue on “Pharmaceutical Analysis”

[SOJ Pharmacy & Pharmaceutical Sciences](#) is an Open Access Publication that aims to publish Scholarly Articles pertaining to research of drugs and drug products with strong emphasis on originality and scientific quality.

Pharmaceutical analysis deals with the laboratory controls and regulations along with good documentation practices and analytical techniques. The other extensions of analysis involve the method validation and investigation in pharmaceutical industry. With few selected methods and procedures like volumetric analysis, titrations, ion chromatography, laboratory automation and ordering information pharmaceutical analysis is done.

In an approach to share your work related to the field of Pharmaceutical Analysis, *SOJ Pharmacy & Pharmaceutical Sciences* welcomes papers from worldwide group of specialists; covering recent advances & perspectives in Pharmaceutical Analysis.

With this initiative, we intend to bring-out **the research advances in Pharmaceutical Analysis**, and make them easily accessible by your participation and cooperation.
