

SOJ Pharmacy & Pharmaceutical Sciences

Special Issue on "Pediatric Pharmacy"

[SOJ Pharmacy & Pharmaceutical Sciences](#) is an Open Access Publication that aims to publish Scholarly Articles pertaining to research of drugs and drug products with strong emphasis on originality and scientific quality.

Pediatric Pharmacy deals with the medication of the infants, children and adolescents. This branch focuses on the kinetics and dynamics of drugs at pediatric level. Pediatric pharmacy is an acronym to the latest branch of medicine called palliative medicine. But adolescents are in their own legal and health care decisions in concerned circumstances

In an approach to share your work related to the field of Pharmaceutical aspects in pediatric level, *SOJ Pharmacy & Pharmaceutical Sciences* welcomes papers from worldwide group of specialists; covering recent advances & perspectives in the field of Pediatric Pharmacy.

With this initiative, we intend to bring-out **the research advances in the theme of Pediatric Pharmacy**, and make them easily accessible by your participation and cooperation.
